In any case, where it is prima facie found after publication of the result of an examination that such result has been affected by error, malpractice, fraud or any other improper conduct, whereby an examinee has been benefited, it shall be competent for the Executive Council to hold the said result in abeyance pending inquiry into such error, malpractice, fraud or any other improper conduct against the examinee concerned.

O. 137 :

When the examination is by Thesis a list of successful candidates arranged in alphabetical order will alone be published.

O. 138 :

A candidate whose total falls short of the requisite total for a First or Second Class Honours or Distinction by 1, 2 or 3 marks shall be given the necessary marks by which his total falls short and shall be declared to have passed with First or Second Class Honours or with Distinction, as the case may be.

O. 139 :

Where a candidate in a University examination other than the entrance examination fails in any single head of passing (whether a distinct head, a sub-head or a group-head or a grand total) his failure in that head of passing shall be condoned as follows :

A candidate whose failure is condoned under this Ordinance shall be eligible for classes in the same way as other successful candidates, but not for scholarship or other awards.

The condonation marks shall not be counted for the purpose of eligibility of a class.

Provided that if the standard of passing in the different subjects at any examination is 50% or more condonation to the extent mentioned above may be given in not more than two heads of passing each being under a different subject for the purpose of passing or exemption in that subject or subjects, and provided further that in the case of the examination under the Faculty of Technology including Engineering and in the various examinations in Pharmacy, if a candidate fails in not more than two heads of passing condonation in the manner provided for hereinabove shall be permitted.

O. 140 :

1. For each one per cent of marks in the grand total secured by the candidate above the minimum required for passing one mark shall be added subject to a maximum of ten marks as a grace in the one head of passing in which candidate has failed.

2. A candidate getting the benefit of condonation on this basis shall not be entitled to prizes or scholarships.

3. The grace marks so added shall not count for the grand total.

4. A candidate passing the examination under this Ordinance is eligible for a class, provided his percentage prior to condonation entitles him.

5. For the purpose of this Ordinance, a fraction of one-half per cent or more shall be considered as one.

Note. - The benefit of this Ordinance shall be given only to a candidate who appears at a time in all the papers and practicals (if any) without availing himself of exemptions from any subject or subjects or a part thereof.

O. 142 :

Where a candidate fails only in one subject and fails to get exemption in only one other subject by not more than 3 marks, his marks in that subject shall be increased by 1, 2 or 3 marks as the case may be so as to entitle him to exemption in that subject and to give him the benefit of being allowed to keep terms for the higher examination where it is permissible to do so under the relevant Ordinances.

O. 142-A :

Wherever the standard of passing in a particular examination in any paper or head of passing is prescribed on a percentage basis according to the relevant rules in force from time to time for the purpose of calculating minimum marks for passing in the paper or head of passing concerned a fraction of a mark, which is half or more than half, i.e., .5 or more than .5 shall be computed as one and fraction less than half, i.e., less than .5 shall be ignored.
